This puppy is being donated to the above Veteran in appreciation of their service in the armed forces. Veteran has chosen a _____ Cane Corso puppy that will be registered with AKC as ***Storm Front's***

_____. Veteran shall have limited AKC registration.

Veteran has selected _____ Puppy with _____ Collar.

Sire _____

Dam: _____

This contract is for the donation of a full blooded, pure bred Cane Corso. This puppy is of typical temperament and structure, and embodies the basic standards of the Cane Corso Breed. AKC registration of the litter will be completed and individual registrations will be forwarded to Storm Front from AKC when completed. Registration shall remain with Storm Front until the pup is 2 years old and the Veteran decides if they want to convert or not.

The pups registered name begins with STORM FRONT. This means that we are the breeder and stand behind our pups. The kennel name must be used to identify the above puppy in any

advertisement, on social media at any show arena or public event when puppy is pictured or discussed with intent to market or advertise tangible or intangible goods or breed itself.

Veteran has the option of converting Limited Registration to Full Registration and breeding rights. If Veteran chooses to have Breed Rights, when the pup is 2 years old the following health tests must be performed and a passing score obtained. When the test results are provided to Storm Front, Registration will be converted to full registration and signed over to Veteran.

OFA Hip or Penn Hip Test

OFA Heart Test

OFA Thyroid Test

OFA Patella Test

This is to ensure future puppies have the best opportunity to be healthy and happy additions to the breed. Veteran agrees not to breed this puppy unless they have the Full AKC Registration: The pup being donated is a result of over thirteen years of research and healthy pairings of Champion Cane Corso. It is the purpose of this condition to continue the high quality and healthy characteristics of the Storm Front Lines.

The puppy shall be replaced if the Veteran furnishes the Seller with a veterinary certificate indicating that the puppy is unwell or unsound, within 72 hours of delivery. No veterinary or shipping costs shall be paid by Seller.

Storm Front's primary goal is to breed a healthy, stable and confident Cane Corso but acknowledges that certain health issues are possible within the Cane Corso breed. Seller agrees to offer a 4-year Health Warranty for the following conditions: Hip or Elbow Dysplasia (non-injury related). Epilepsy, Congenital Heart Conditions. Puppy is under warranty for overly aggressive or overly fearful behavior. Cherry Eye, Entropion and Ectropion are common conditions with all Molosser breeds but are not common with Storm Front lines and are also covered by our guarantee.

Any conditions not listed above will be discussed and determined between Seller and Veteran. Warranty is for a replacement puppy, however, Storm Front will never ask you to return you puppy. This is the choice of Veteran. If the condition is something you feel you can't afford or are unable to treat, Storm Front will ALWAYS allow you to return you puppy if that is your choice. If you decide to keep your puppy, you must have it spayed or neutered, but you will still receive a replacement puppy at no charge. Seller is not responsible for any costs incurred to diagnose or treat conditions listed above.

The puppy is healthy at time of sale and has had the immunizations enumerated in the attached health record.

Cane Corso puppies should be socialized as much as possible to acquire a confident and social temperament. Cane Corso should never be allowed to free roam. Protecting or guarding their

territory is a Cane Corso trait and if there are no boundaries, there are no limits. Seller strongly advises Veteran to limit certain physical behaviors of purchased puppy until 10 months of age. They are as follows: excessive jogging jumping from a height of more than 18 inches, any physical activities that could damage developing skeletal structures.

Cane Corso are a slow maturing breed and are not fully mature until 2 ½ to 3 years of age. If at any time the Veteran is unable to keep or care for the puppy, it MUST be returned to Seller. The puppy may not be sold, given away or remanded to a shelter or rescue at any time. Storm Front created this pup and will take responsibility for this pup for life. If the pup is sold, given away or remanded to a shelter without Storm Front's permission, litigation shall ensue and the location of the pup determined. A judgement for \$3,000.00 price of pup and possession of the pup shall be sought. Any attorney fees or court costs shall be added. If any litigation results from the donation of this puppy it shall be held in Obion County Tennessee. All attorney and court costs shall be the Veteran's responsibility.

If the Seller determines by any means that the puppy is not being suitably cared for or that it has been mentally or physically mistreated, Seller has the right to take possession of the puppy and all signed registration paper work without compensation. This also includes any danger to humans. Example: if we see your dog in videos or pictures on any social media in an act that causes concern to the safety of the dog or any human, we will contact you. If situation is not resolved immediately we will and have the right to take possession of the pup.

Veteran agrees not to allow puppy to be used in any illegal activities.

Cane Corso are a dominant breed and need a dominant human pack leader. If the owners do not take dominant role over Cane Corso, the Corso will take the role and things will not be good. Again, if Seller is made aware of any behavior that may cause harm to any human due to lack of training or human dominance; Seller may again take possession of the puppy without compensation however, we may require obedience training to correct problems we may feel are minor.

Veteran agrees to ensure puppy receives monthly heart worm treatments and all vaccines as indicated by their veterinarian. It is important that this pup be fed a high quality food and we recommend Purina Pro Plan Sport 30/20. **DO NOT FEED YOUR CORSO GRAIN FREE FOOD!**

Storm Front is very proud of the puppies they produce and this contract is our attempt to protect our pups. This pup is not the run of the mill, Cane Corso. Puppy has exceptional structure, temperament and health. Do not breed to just any Corso. This puppy is special and deserves a special breeding partner. When your health tests have been completed, Storm Front will be glad to assist in finding a quality breeding partner or evaluate pedigrees of partners you are

considering. Having over 13 years of experience evaluating Corso lines and history of epilepsy, we can provide a valuable insight into possible matches.

Please feel free to contact us at any time, day or night with questions or concerns about your pup, his health or behavior. We look forward to a long happy relationship.

This contract represents all agreements between Veteran and seller and no verbal agreements have been made.
